About Services Our work Contact

Book Service

Steady warmth, cool summers, no surprises

A licensed technician looks after your furnace and AC, so the temperature at home stays exactly where you set it.

Schedule a repair

Same-week appointments in most neighborhoods.

ABOUT LARKHOME

Started with three technicians and one service van

Larkhome has been servicing furnaces and AC units in this area since 2008. We're still a small, local crew — every call is answered by someone who knows the team, not a script.

SERVICES

Everything for heating and cooling

Booked in one call, handled by one crew.

Furnace repair & install

No heat, short cycling, strange noises, full replacements.

AC repair & install

Not cooling, ice on the coil, refrigerant top-ups, new units.

Duct cleaning & sealing

Uneven airflow, dusty vents, leaking or disconnected ductwork.

Thermostat & tune-ups

Smart thermostat setup, seasonal maintenance, filter changes.

WHY HOMEOWNERS CHOOSE US

No surprises once the technician is at your door

OUR WORK

Recent installs and repairs around the neighborhood

A sample of what a typical week looks like for the crew.

- New AC condenser install — Elmwood St
- Furnace igniter replacement — Birch Ave
- Full duct cleaning — Maple Court

WHAT HOMEOWNERS SAY

1,240+ reviews, 4.8 average

★★★★★

Furnace stopped working at night in January. Technician was out the next morning and fixed it in under an hour.

Sarah M.
Elmwood St

★★★★★

Quoted a flat price before starting, no surprise charges at the end. Explained exactly what was wrong with the AC.

David R.
Birch Ave

★★★★★

We've used them for three seasonal tune-ups now. Same technician every time, which makes a real difference.

Priya K.
Maple Court

GET IN TOUCH

Something not heating, cooling, or running right?

Same-week appointments in most neighborhoods. Emergency call-outs available around the clock.
